PROFILE

Graphic Designer with hands-on experience creating print and digital marketing collateral, social media creatives, promotional assets, and branded visual content. Skilled in translating briefs into clear, engaging layouts while maintaining visual consistency across multiple formats. Proficient in Adobe Photoshop, Illustrator, Premiere Pro, and Canva, with experience using AI-assisted design workflows.

WORK EXPERIENC

Graphic Designer & Video Editor | Amrut.AI

Vancouver ,Canada
Hybrid | August 2026 – Present

• Created **40+ social media creatives within 12–13 days,** managing high-volume production while maintaining brand consistency.
• Designed social media creatives, marketing collateral, promotional assets, and branded visual content across multiple campaigns.
• Produced **motion graphics, short-form videos, animated typography, transitions**, and promotional content for digital platforms.
• Developed varied **editorial, typography-led, photo-led, and storytelling-based** layouts to strengthen the brand's visual direction.
• Conducted competitor and social media research to identify current design trends and creative approaches.
• Used Adobe Photoshop, Illustrator, Premiere Pro, After Effects, Canva, Figma, and AI-powered creative tools across design and video workflows.

Graphic Design | Arihant Educational Group (Arihant Public School)

Kota, Rajasthan
Hybrid | January 2026 – July 2026

• Designed **50+ posters, banners, brochures, standees, and social media creatives for events, admissions, and campaigns**.
• Translated design briefs into clear, engaging visual layouts using typography, imagery, and visual hierarchy.
• Adapted creative assets across **print and digital formats**, maintaining consistent branding and visual identity.
• Collaborated with stakeholders to refine designs, incorporate feedback, and meet deadlines.
• Created promotional reels and short-form videos for social media campaigns.

Freelance Graphic Designer

Independent Practice | February 2025 – January 2026

• Developed custom **visual identities, logo systems, social media creatives, and digital assets** for diverse clients.
• Managed projects from brief to final delivery, incorporating feedback while maintaining quality and timelines.
